

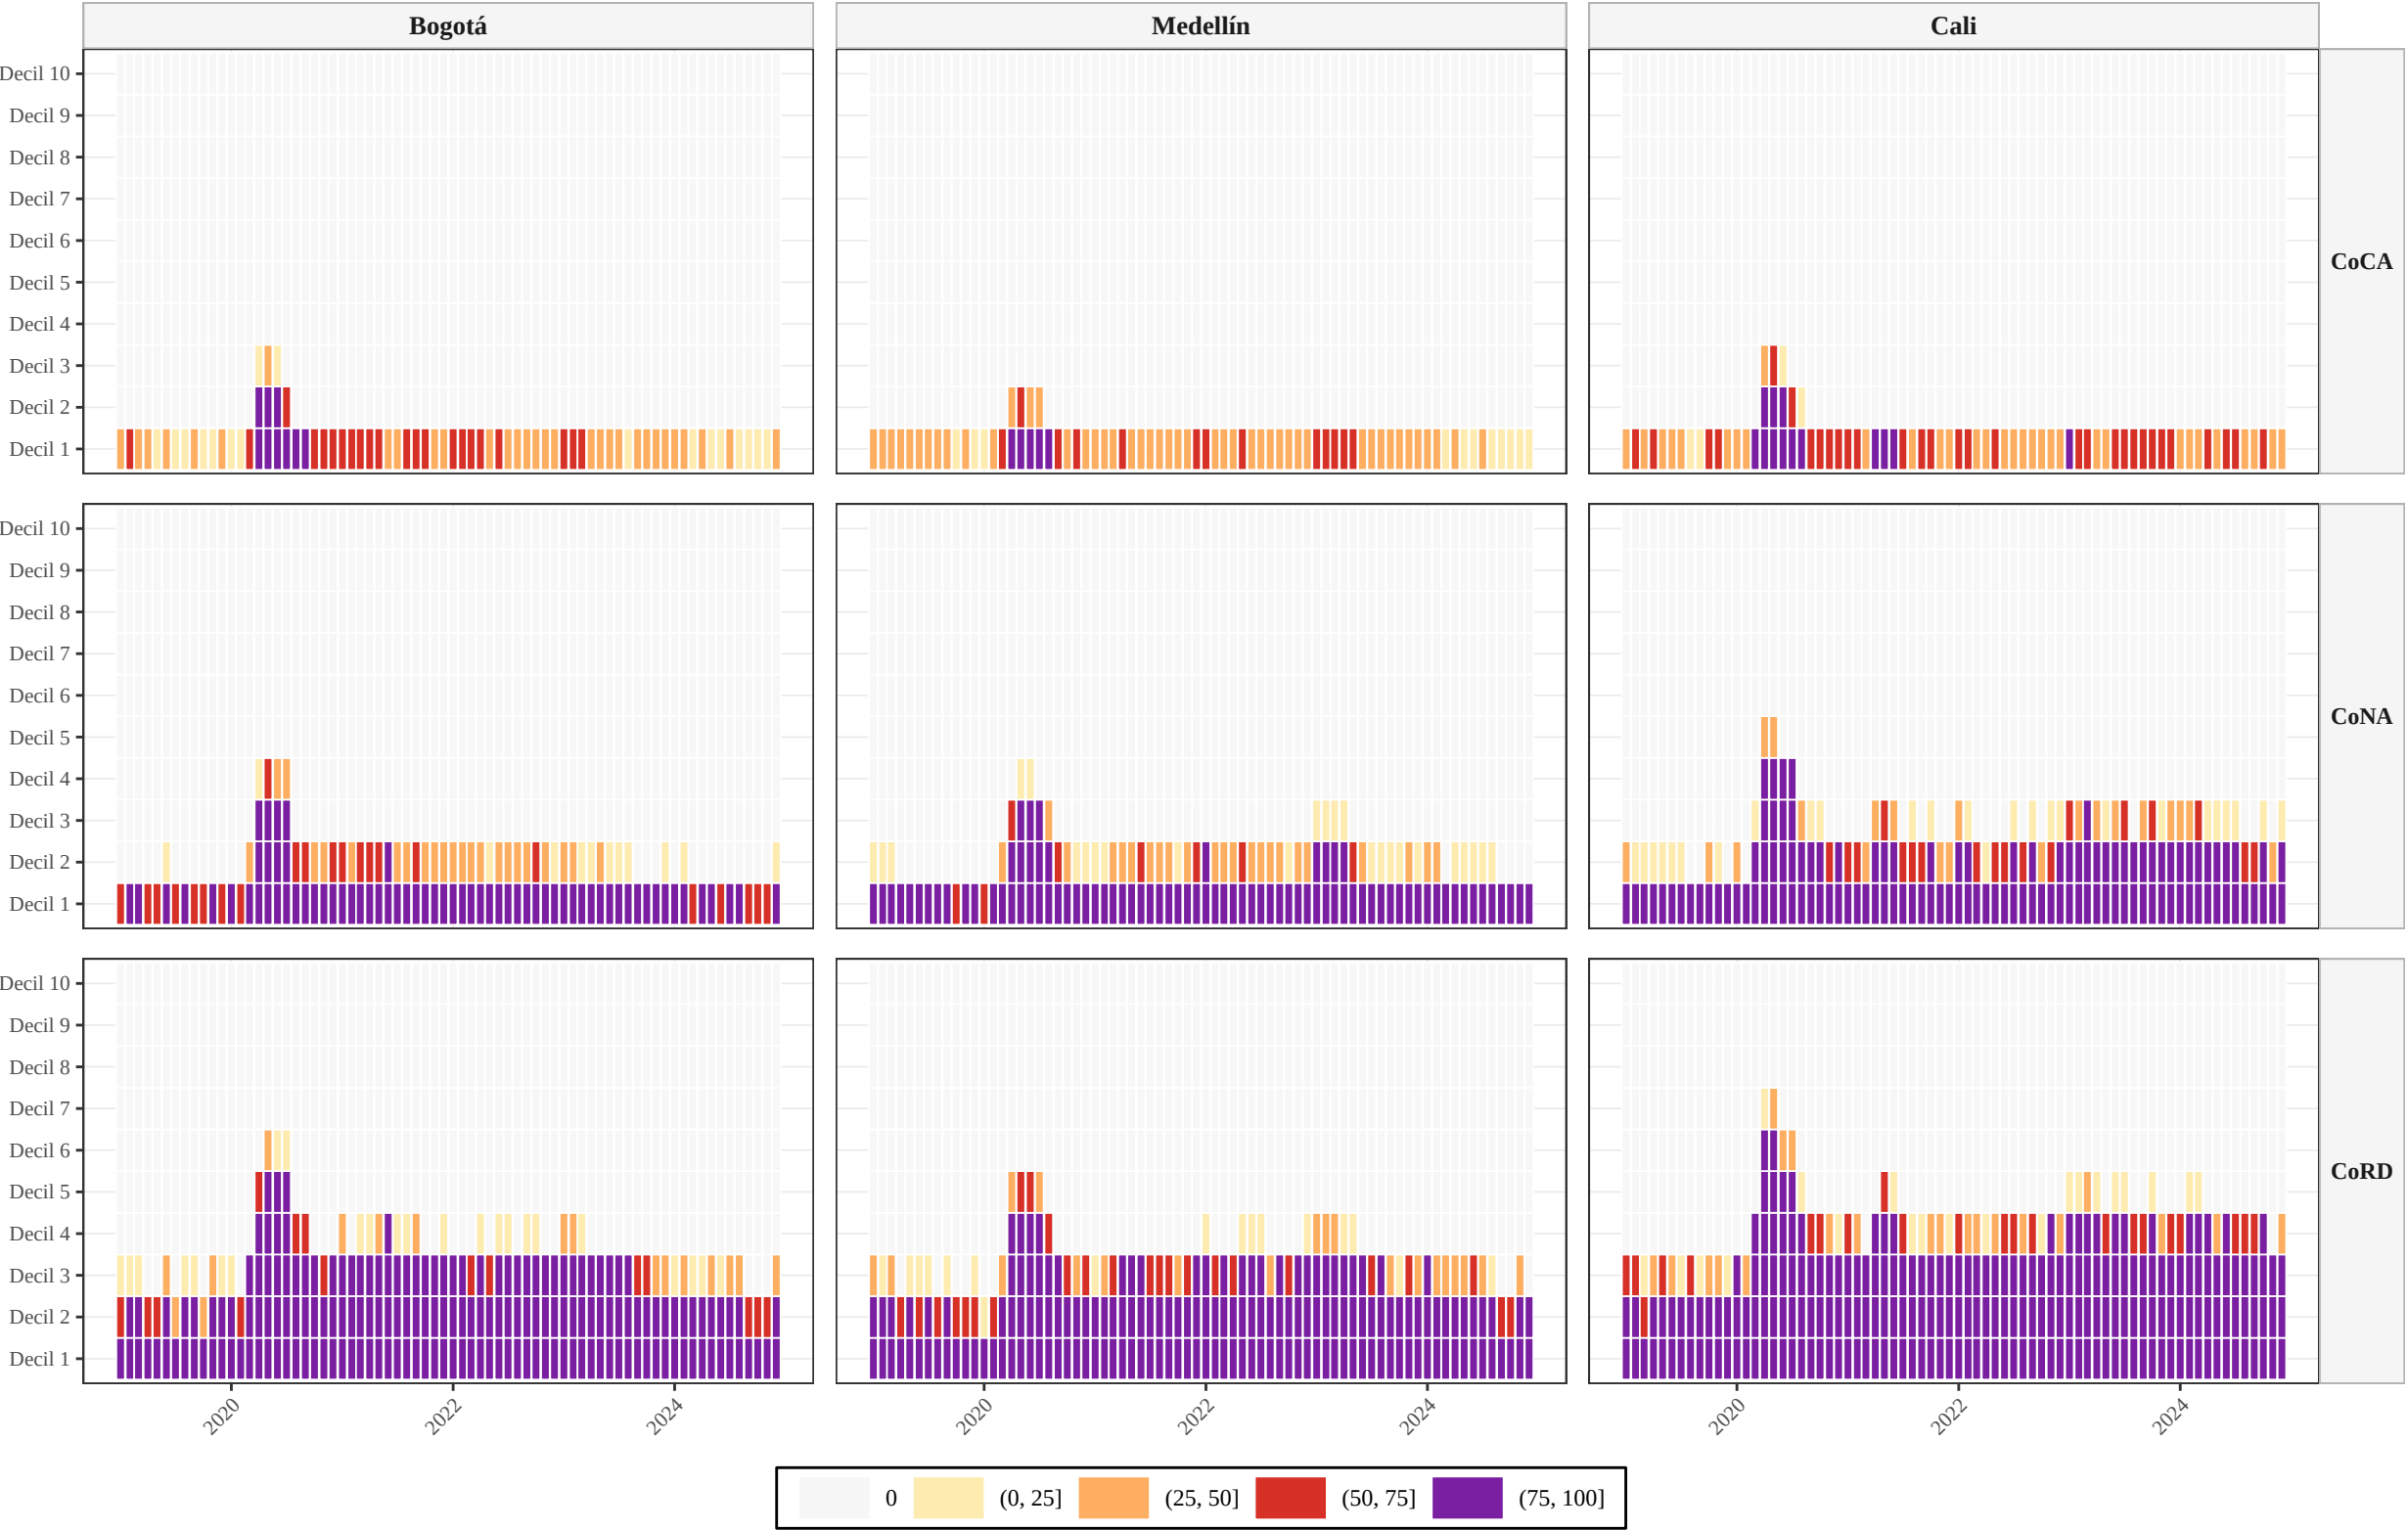

**Figure 9. Annual household unaffordability rate by income decile and city, 2019–2024**

Monthly share of households unable to afford each diet. Darker fill indicates higher unaffordability.

Note: Annual mean of monthly unaffordability rates. Unaffordability = per capita income below daily diet cost.  
CoCA = Cost of Caloric Adequacy; CoNA = Cost of Nutritional Adequacy; CoRD = Cost of Recommended Diet.
